

Action, Inc. Family Scholarship Program

THE PROGRAM

Action, Inc. has established a scholarship program to assist employees' children who plan to continue their education in college or vocational school programs. Scholarships are offered each year for full-time study at an accredited institution of the student's choice.

Beginning in 1981, Dan Johnston and Ron Wright laid the groundwork with hard work, dedication and loyalty to create the company we all call home. It is with great pleasure we are proud to offer family scholarships in their names. Our hope is the recipients of these scholarships can pursue their education dreams just as our founders pursued their business dreams.

This scholarship program is administered by Scholarship America[®], the nation's largest designer and manager of scholarship, tuition assistance and other education support programs for corporations, foundations, associations and individuals. Awards are granted without regard to race, color, creed, religion, sexual orientation, gender, disability or national origin.
