Dear Mr. Wright:

I want to thank you for sending the container of goodies, they are much appreciated and I will see that they go to our Welding Class Instructor.

We were so happy to see you at our career fair this past April and hope to see you again in April 2019. We also realize how important it is to our students that we forge a partnership with Action Mechanicals that will be a lasting one that can result in success for both parties.

Keep in touch as you have needs for our students and we will keep you in mind when we have qualified graduating students who see the value in what you have to offer.

Again, we thank you!

Sincerely,

Bonnie A. Jones
